

## CLAIMS

What is claimed to be new and desired to be protected by Letters Patent is set forth in the appended claims.

I claim:

1. Apparel for providing padded pants to be worn by a user, comprising:
  - a) a pants, said pants sized to fit the user, wherein said pants have a buttocks and upper thigh area;
  - b) an inner and outer layer of material disposed in said buttocks and upper thigh area of said pants;
  - c) a cushion, said cushion having the shape of the buttocks and upper thigh area of the user; and,
  - d) wherein said cushion is disposed between said inner and outer layer of material in said buttocks and upper thigh area of said pants to provide padded pants for the user to sit on.
2. The apparel of Claim 1, wherein said cushion is bonded between said inner and outer layer of material.

3. The apparel of Claim 2, wherein said cushion is attached between said inner and outer layer of material using adhesive.

4. The apparel of Claim 3, wherein said cushion is sewn between said inner and outer layer of material.

5. The apparel of Claim 4, wherein said pants are long pants.

6. The apparel of Claim 5, wherein said pants are short pants

7. Apparel for providing padded pants to be worn by a user, the apparel being numbered, comprising:

- a) a pants, said pants sized to fit the user, wherein said pants have a buttocks and upper thigh area;
- b) an inner and outer layer of material disposed in said buttocks and upper thigh area of said pants;
- c) a cushion, said cushion having the shape of the buttocks and upper thigh area of the user;
- d) wherein said cushion is disposed between said inner and outer layer of material in said buttocks and upper thigh area of said pants to provide padded pants for the user to sit on; and,
- e) a unique number disposed on said pants, said number identifying the user of said pants.

8. The apparel of Claim 7, further comprising a unique logo being disposed on said pants to permit the owner of the logo to be identified.

9. The apparel of Claim 8, further comprising a unique color being associated with said unique logo being disposed on said pants to permit the owner of the color and logo to be identified.

10. The apparel of Claim 9, wherein said unique number is matched to an identical unique number, wherein said identical unique number is drawn from a pool of numbers containing a plurality of unique numbers identifying a plurality of users of the apparel.

11. The apparel of Claim 10, further comprising a cap, wherein said cap further comprises a unique logo being disposed on said cap to permit the owner of the logo to be identified.

12. The apparel of Claim 11, further comprising a cap, wherein said cap further comprises a unique color being associated with said unique logo being disposed on said cap to permit the owner of the color and logo to be identified.

13. The apparel of Claim 12, further comprising a jacket, wherein said jacket further comprises a unique logo being disposed on said jacket to permit the owner of

the logo to be identified.

14. The apparel of Claim 13, further comprising a jacket, wherein said jacket further comprises a unique color being associated with said unique logo being disposed on said jacket to permit the owner of the color and logo to be identified.

15. The apparel of Claim 14, wherein said cushion is bonded between said inner and outer layer of material.

16. The apparel of Claim 15, wherein said cushion is attached between said inner and outer layer of material using adhesive.

17. The apparel of Claim 16, wherein said cushion is sewn between said inner and outer layer of material.

18. The apparel of Claim 17, wherein said pants are long pants.

19. The apparel of Claim 18, wherein said pants are short pants
